

# TABLE CONNECTOR Design Reg. No: 185012/01

## Special Features

- Specially designed table connectors to create multi table configuration with any square edge tabletops.
- Ideal for quickly connecting or disconnecting tables and table leaves for office layouts and to build work stations.
- To join the table push connectors into catch & disconnect them by pulling them apart.
- The product has compact size and is easy to store and transport.
- Manufactured out of hardened spring steel with austempering for long life and durability.
- 'System 32' compatible.

## Specifications

Code No.	Finish
TC1	ZB

## Fitting Instructions

1. Fit catch under one and connector under the other of the two tables to be connected. Screw holes 32mm apart and 21mm from the edge of the table.
2. Connector can be rotated for transportation and storage
