Libell Magic Corner Flex

- This corner mechanism makes best use of available space.
- Has excellent sliding properties and features the SoftStopp Plus soft-closing system.
- Its clip-on front cuts assembly time in half.
- Tool free alignment of the shutter (3 dimension).
- The shelves can be positioned at any height, making for optimal distribution.
- Magnetic Dividers can be used to organize the space on shelves and it stops stored items from falling out of the unit.
- The non slip mat stops the unit's contents from sliding around. It can also be removed easily for cleaning.
- Load capacity - Front Basket (7 x 2) kgs; Rear Basket (9 x 2) kgs.
